Demo Reel Breakdown

- 1. Animated Illustration - Digital Animation Class Project (0:02)**
Project done for Digital Animation class. Focusing on using the effects nodes in Toonboom Harmony.
- 2. Clip from "Hello Angel" - Traditionally animated, Composited in Toonboom (0:03)**
Project done for Principles of Animation class in Hong Kong and then later reworked in Toonboom Harmony.
- 3. Illustration - Using crayon, marker and Toonboom (0:03)**
Illustration was an interpretation of Schizophrenia done for Psychology class then later reworked and animated.
- 4. 2D Morph animation - Digital Animation Class Project using After Effects & Toonboom (0:01)**
Final assignment for Digital Animation class. Each morph represents an aspect of my personality.
- 5. Scene from "Marks"- Toonboom, Composited in After Effects (0:05)**
A scene from my senior film "Marks". While I did not do the character animation, I did background animation, clean up and compositing.
- 6. Illustration - Collage, Animation made with Toonboom (0:05)**
Personal project illustrated with marker, pen and crayons. Then composited with animation in Toonboom harmony.
- 7. Collection Lineup - Final Collections for Fashion Minor (0:07)**
Compilation of my final designs from Fashion Design Minor.
- 8. Collage - Submission for SCAD's "Scan" Magazine (0:03)**
Illustration for the cover of SCAD's "Scan" magazine. The theme for the submission was fire. The illustration is done with marker, pens, crayon, masking tape and burnt newspaper.
- 9. Illustration - Photoshop, Toonboom (0:04)**
Personal project done to experiment with screentones.
- 10. 2D Morph Animation - Digital Animation Class Project using After Effects & Toonboom (0:05)**
Final assignment for my Digital Animation class. Each morph represents an aspect of my personality.
- 11. Scene from "Marks" - Toonboom, Composited in After Effects (0:04)**
A scene from my senior film "Marks". I did everything from art direction and character design to animation and compositing.
- 12. 2D Character Animation - Project for 2D Production class (0:02)**
A scene done for 2D Production class. Learning the steps of the production process I produced 3 short scenes for a film concept.
- 13. Clip from "\$illy Baby" - Toonboom, After Effects (0:04)**
Personal project developing my skills in Toonboom Harmony and After Effects.
